Platinum Access professional gate access phone entry system PA-6000 is the state of the art in craftsmanship and design. Its sleek and elegant design combines with reliability and affordability and comes with a three year warranty. Functionally, it operates as a four user-display right screen per screen scroll as well as being user-friendly and easy to program. It can be programmed directly via the keypad or via the Platinum Access proprietary app downloaded onto your smartphone, or by Platinum Access proprietary cloud website.
