

# PLATINUM-MAG13

## 1300LB Capacity Magnetic Lock

Durable and reliable. The Platinum-Mag13 is well suited for any outdoor or indoor application requiring a magnetic lock. The removable mounting bracket makes installation a breeze, while the attached junction box allows for a direct connection to conduit and a safe place to make electrical connections.

The Mag13 comes with a highly competitive 2-year limited warranty and expert technical support and installation assistance by phone.

Features and benefits:

- 1300 lbs holding force
- Outdoor/indoor rated
- Removable, weldable mounting bracket
- Weldable armature plate
- Electrical junction box attached
- 24 VDC Transformer INCLUDED
- Built to last - 2-Year Limited Warranty
